

ALBA Graduate Business School aims to attract the strongest applicants regardless of their ability to fund their education. On these grounds, ALBA in collaboration with Price Waterhouse Coopers, awards one partial scholarship to an MBA in Shipping candidate, who has demonstrated strong academic performance and professional experience.

The Scholarship will cover the 25% of the total fees of the program, and it will be awarded to a candidate employed in the maritime sector, due to academic and professional excellence.

Candidates who wish to apply for the ALBA – PWC Scholarship must complete the respective attached form and submit it to the MBA in Shipping Office no latter than the announced applications' deadline.
